

Welcome to My Bookshelf!

ON
FOCUS

Since Ambassador stepped back into serving *Focus on the Family* over a decade ago, one of the greatest delights has been the privilege of reporting to **John Fuller** (VP of the Audio team at Focus) in those responsibilities.

While a talented on-air host for the program and an author himself (see below!), John is also an enthusiastic student of the communications industry. Husband to Dena and dad to six grown kids, John is also a constant encourager to those who know him.

And we thought you would enjoy a peek at his library as we continue this series!

John Fuller

“ Like my old radio DJ days, I have “current,” “recurrent,” and “gold” categories for my books.

Within those categories on my shelves I tend to group books by topic and/or by author. Some bookshelves are for recurring use, like Bible study resources. Other shelves are for inspiration.

The “gold” shelves have books I’ve found so valuable that I refer to them often and just cannot part with them.

PS—One shot shows that I have a few extra copies of *First Time Dad* handy to give away. ”
[Why, thank you, John, for that offer! Send a note to peg@ambaa.com if you’d like a copy of John’s book!]
