

For the week of:

10 | 12 | 20

On This Day...

MONDAY 10/12

In 1492 Columbus sailed the ocean blue. A surprise it must have been when he realized he had discovered the "New World" and not East Asia as he intended.

TUESDAY 10/13

Likely the most recognizable home—it was 1792 when the cornerstone was laid for the White House. John Adams was the first president to reside in the executive mansion.

WEDNESDAY 10/14

"I have a dream." In 1964, at the age of 35, Martin Luther King Jr. became the youngest man to receive the Nobel Peace Prize, for his nonviolent campaign against racism.

THURSDAY 10/15

Have you scrubbed your hands lately? The message behind Global Handwashing Day is one we need to hear now more than ever. Do your part to help stop the spread!

FRIDAY 10/16

Applause on the count of three! On National Boss's Day, thank those the Lord has placed in authority over you, your boss being one of the greatest! 😊

DID YOU KNOW?

- Once considered "the heart of buffalo country," **Kansas** was also once home to nearly as many pronghorn antelope ... which is why the song "*Home on the Range*" was adopted as the official state song of Kansas in 1947.
- **One building/two courts.** That'd be found in Washington DC where judges can show their constitutional skills on the fourth floor of the SCOTUS building. One floor above that, you'll find a basketball court. Originally used for storage, the floor became a workout facility for courtroom employees in the 1940s.
- People born in 1900 had a **life expectancy** of only 47 years. In the 1930's at the inception of Social Security, life expectancy in the US was 62. Today it is 79.

IN OTHER WORDS...

"Worry and anxiety are not only hazardous to your physical and mental health, they reveal a problem with your spiritual health."

— Don Green

"Peacemaking runs deeper than peacekeeping. To sow the seed of peace is to press a truth gently yet firmly into the soil of another's heart. When peace prevails, what is right has room to flourish. We can see circumstances for what they are. We are able to choose the right path."

— Joni Eareckson Tada

Weekly Verse

O Lord, we and our kings, princes, and ancestors are covered with shame because we have sinned against you. But the Lord our God is merciful and forgiving, even though we have rebelled against him. We have not obeyed the Lord our God, for we have not followed the instructions he gave us through his servants the prophets. All Israel has disobeyed your instruction and turned away, refusing to listen to your voice.

— Daniel 9:8-11 (NLT)

Program Notes:

In recognition of **Breast Cancer Awareness Month**, "Joni and Friends" will air three programs (October 19, 21 and 23) that will especially encourage listeners battling cancer (or any difficult illness or medical condition)—powerful as Joni speaks from firsthand experience. We're also grateful to be wishing Joni Tada a happy birthday this week on October 15!
