DID YOU KNOW?

- Hormel is giving away **bacon-scented face masks** so you can smell bacon wherever you go. *No droplets, no thoughts, no worries. Just bacon.*
- Giant **pumpkins** can **gain as much as 50 pounds a day**, on their best day. Holy smokes—glad we aren't the same!
- Nestled between the Adirondack and Catskill Mountains of upstate New York, idyllic **Cooperstown** may seem like an unexpected place to find the **National Baseball Hall of Fame and Museum**. But Cooperstown became associated with the sport thanks to a story about a Civil War hero named Abner Doubleday, who claimed to have invented the game there in 1839. That account has since been refuted, but Cooperstown's baseball identity nonetheless stuck.

IN OTHER WORDS...

"Honor to the soldier and sailor everywhere, who bravely bears his country's cause. Honor, also, to the citizen who cares for his brother in the field and serves, as he best can, the same cause."

— President Abraham Lincoln

"Our debt to the heroic men and valiant women in the service of our country can never be repaid, they have earned our undying gratitude. America will never forget their sacrifice."

— President Harry S. Truman

Weekly Verse

Good leadership is a channel of water controlled by God; he directs it to whatever ends he chooses. We justify our actions by appearances; God examines our motives. Clean living before God and justice with our neighbors mean far more to God than religious performance. Arrogance and pride—distinguishing marks in the wicked—are just plain sin.

— Proverbs 21:1-5 (The Message)
