On This Day...

MONDAY 11/9

Symbol of the divisions of the Cold War, the *Berlin Wall* came down in 1989 as liberated citizens crossed into the West, using hammers and picks to destroy the despised barrier to freedom.

TUESDAY 11/10

On *International Accounting Day*, we stop to appreciate our dedicated "number crunchers." Their faithful work and attention to detail keep our businesses alive.

WEDNESDAY 11/11

They served in places like Korea, Vietnam and Afghanistan. To our courageous veterans—*thank you for your service and sacrifice!*

THURSDAY 11/12

The gateway to America, in 1954 *Ellis Island* shut its doors after processing more than 12 million immigrants. Today, about 40% of Americans have ancestors who passed through.

FRIDAY 11/13

The *Vietnam Veterans Memorial*—a 2-acre national monument engraved with the names of 58,318 U.S. soldiers—was dedicated in 1982 (Washington DC).

DID YOU KNOW?

- Despite what you might expect, it's New Hampshire that boasts the record for the **highest wind speed** ever recorded in the USA.
- New Hampshire's **Mount Washington** slogan is "Home of the World's Worst Weather" and with good reason. On April 12, 1934, a new world record was set when **winds of 231 mph** swept across the summit. This record stayed in place for nearly 62 years until Tropical Cyclone Olivia hit Barrow Island, Australia, in 1996.
- Mount Washington has a **height of 6,288 feet**. Its location in the crossroads of storm systems from the Atlantic, the Gulf, and the Pacific Northwest, is responsible for its gusty winds and volatile weather.

IN OTHER WORDS...

"One of the most important activities a Christian can engage in is prayer."

— **Charles Morris**

"The key to thankfulness is not to view God through the lens of our circumstances, but to view our circumstances through the lens of God's love and sovereign purpose."

— **Anne Graham Lotz**

"A right relationship with God should result in a sincere love for other people."

— **John MacArthur**

Weekly Verse

... I blessed the Most High, and praised and honored him who lives forever, for his dominion is an everlasting dominion, and his kingdom endures from generation to generation; all the inhabitants of the earth are accounted as nothing, and he does according to his will among the host of heaven and among the inhabitants of the earth; and none can stay his hand or say to him, "What have you done?"

— **Daniel 4:34-35 (ESV)**
