TRIVIA FROM OUR MINISTRIES

- From **Thrivent**:
The average person has 300,000 possessions and the average 10 year old has 238 toys but plays with just 12 each day.
- From **Focus on the Family**:
Punctuate this sentence: "A woman without her man is nothing." Most men would put a comma after *woman* and another after *man* and *is*. However, females punctuate the sentence by placing a semicolon after *woman* and a comma after *her*. See the difference punctuation can make?!
- From **FamilyLife Blended**:
62% of couples, under the age of 55 in the U.S. today, have either a stepparent or stepchild relationship in that couple.

IN OTHER WORDS...

"The most important conversations you will have as a couple are around matters of commitment, companionship, and cherishing one another."

— FamilyLife Blended

"I think loneliness is the mark of our day. I do think the devil doesn't want us to identify what our struggles are because once we identify them, we can bring them to Christ!"

—Max Lucado

Weekly Verse

"Faith shows the reality of what we hope for; it is the evidence of things we cannot see. Through their faith, the people in days of old earned a good reputation. By faith we understand that the entire universe was formed at God's command, that what we now see did not come from anything that can be seen ... And it is impossible to please God without faith. Anyone who wants to come to him must believe that God exists and that he rewards those who sincerely seek him."

— Hebrews 11:1-3, 6 (NLT)
