On This Day...

MONDAY 3/29

In 1973, the last American combat troops withdrew from Vietnam. On *National Vietnam War Veterans Day* we honor the faithful war heroes who served during those long 20 years.

TUESDAY 3/30

When was the last time you said *thank you* to a physician? On *Doctor's Day*, share your appreciation for those dedicated to health and wholeness—they sure could use our support!

WEDNESDAY 3/31

Computer problems are the worst! On *World Backup Day*, don't forget to make sure all your files are backed up so next time your electronics glitch, you avoid losing everything.

THURSDAY 4/1

All jokes aside ... we're pleased to announce that today we add a new program to the Ambassador family: *A Word With You* from Ron Hutchcraft Ministries.

FRIDAY 4/2

Why do we call it *Good Friday*? Christ's death and bloodshed on the cross covered our sins and through Him we are forgiven—that alone is the greatest reason for celebration!

DID YOU KNOW?

- “*Don't go chasin' waterfalls*” might be difficult advice to heed if you happen to be in **Hamilton, Ontario**. Located 50 miles northwest of Niagara Falls, the “**Waterfall Capital of the World**” is part of the Niagara Escarpment, a rock ridge that stretches nearly 1,000 miles across the Great Lakes region.
- This ridge has created an abundance of natural waterfalls. According to Smithsonian Magazine, Hamilton holds the record for the **most waterfalls within one city's limits**, with **156 separate falls**.
- The **highest waterfall** in Hamilton is **Tew's Falls**, at 135 feet. (For comparison, nearby Niagara Falls is 167 feet tall.)

IN OTHER WORDS...

"Love the best you can and let God's love take over where you fall short."

Weekly Verse

I love you, Lord, my strength.
The Lord is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold.

I called to the Lord, who is worthy of praise, and I have been saved from my enemies.

Psalm 18:1-3 (NIV)

Share On Air!

We shared some “little known facts” about the speakers we serve in our *March Update* and have had fun posting in our social stream. You might want to do the same, or simply share on-air sometime. (For instance, bet you didn't know until reading our piece that Joni's mom chiseled a nose on Mt. Rushmore!) Have fun!
