WEDNESDAY 6/9

Do you recognize the catchphrase ... "Aw, Phooey!?" It was 1934 when Walt Disney's cartoon character, *Donald Duck*, made his first film appearance in "*The Wise Little Hen*."

THURSDAY 6/10

Whether you prefer it sweet while sitting on your front porch or with a splash of lemonade on the golf course, on *National Iced Tea Day* there's nothing better for a hot summer day.

FRIDAY 6/11

A summer BBQ staple! Today is *National Corn on the Cob Day*, which means tonight's dinner menu should include hamburgers, watermelon slices, and you guessed it, husks of corn!

DID YOU KNOW?

- Covering **3.4 million acres** in the northern Mojave Desert, **Death Valley** has three notable titles: **the hottest, lowest, and driest national park in the entire system**. The lowest point on the continent is Badwater Basin, which sits **282 feet below sea level**.
- Established as a national monument in 1933 and a national park in 1994, Death Valley welcomes **nearly 1.7 million visitors annually**.
- The park got its **ominous name** from a **group of pioneers** who became lost and stranded there in the winter of 1849-1850.

IN OTHER WORDS...

"Where we're at and where He wants us to be is bridged by courage."

"God ... help me be instantly obedient and readily available to do whatever you want me to do."
—Ron Walters

Weekly Verse

"For those God foreknew he also predestined to be conformed to the image of his Son, that he might be the firstborn among many brothers and sisters. And those he predestined, he also called; those he called, he also justified; those he justified, he also glorified."

Romans 8:29-30 (NIV)
