### Week at a Glance

#### MONDAY 11/29

*Cyber Monday* is more than a decade old and has already merged with Black Friday almost completely. Feel free to stay home and continue holiday shopping from the couch!

#### TUESDAY 11/30

*Giving Tuesday*, often described as a global day of giving or a global generosity movement, is held each year on the Tuesday following Thanksgiving. Today we celebrate all acts of giving!

#### WEDNESDAY 12/1

On this day in 1955, *Rosa Parks* was arrested after a bus driver ordered her to give up her bus seat to another passenger, and she refused. She is known as "the mother of the civil rights movement."

#### THURSDAY 12/2

In 1982, Barney Clark became the *first person to receive a permanent artificial heart*. The surgery occurred at the University of Utah Medical Center. Clark lived 112 more days after the surgery.

#### FRIDAY 12/3

*International Day of Persons with Disabilities* is a day to help everyone become more compassionate and understanding of the challenges faced by people with disabilities.

### DID YOU KNOW?

- **Time zones** in America tend to zig zag along internal borders, keeping entire states on the same time. In some cases, like Tennessee, this isn't geographically practical and the state is split in half. But for Nevada's **West Wendover**, the motivation is economical – the town depends on tourism money from neighboring Utah, so they petitioned to abandon Pacific Time for Mountain.
- **Giraffes** have the highest blood pressure of any mammal, although their resting heart rate is about the same as humans.
- The **NASA Vehicle Assembly Building** in Florida is so huge it has its own weather. Rain clouds can form below the ceiling, requiring about 10,000 tons of air conditioning equipment to control the moisture.
- Just like unique fingerprints, humans also have a **unique tongue print**.

### IN OTHER WORDS...

"If you are a child of God, you will not experience the rest, the peace, the abundance, the freedom, the fullness, the fruitfulness that He wants to give you as long as you are striving in your own effort to be the person God wants you to be."

—Nancy DeMoss Wolgemuth

### Weekly Verse

"My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going."

John 14:2-4 (NIV)
