## DID YOU KNOW?

- **Oreo is celebrating their 110th birthday** with a new flavor. Chocolate Confetti Cake will be in stores starting January 31 and be sold for only a limited time.
  - In 1913, traveling from St Petersburg, Florida, across the bay to Tampa took two hours by steamship or up to 12 hours by rail. Enter: Pilot **Tony Jannus**, whose "flying boat" could make the trip in just 23 minutes. His short-lived St. Petersburg-Tampa Airboat Line cost \$5 a ticket (about \$100 today) and is considered the **world's first commercial airline service**.
  - The Finnish **Leipäjuusto** is named for the way that it "squeaks" against the teeth when bitten. The mild cheese is usually made of cow's milk which is curdled and then fried or baked in a pan. It's sliced like a pizza into wedges and often topped with cloudberry jam.

## IN OTHER WORDS...

"When hard things happen, with Jesus, yes, you grieve. But there's something on the other side of the scale—hope. Jesus, with His love, with His heaven. Without Jesus, it's just the agony of grief with nothing on the other side to lift you up."

—Ron Hutchcraft

## Weekly Verse

"My dear children, I write this to you so that you will not sin. But if anybody does sin, we have one who speaks to the Father in our defense — Jesus Christ, the Righteous One. He is the atoning sacrifice for our sins, and not only for ours but also for the sins of the whole world."

1 John 2:1-2 (NIV)
