Week at a Glance

MONDAY 3/14

Any day that combines fun, education, and pie is worth celebrating! The digits of today's date (3/14), are the first three digits of pi (3.14) and it's also *Albert Einstein's birthday*. A great day for math!

TUESDAY 3/15

Beware the Ides of March! This day in 44 BC is when Julius Caesar was murdered. William Shakespeare immortalized the phrase telling us to be wary of March 15 in his play about the events.

WEDNESDAY 3/16

Today is *National Panda Day* and we celebrate these fluffy, bamboo-munching bears that are a source of national pride for China. It is reported that there are less than 2,000 pandas left in the world.

THURSDAY 3/17

Don't forget to wear green on *St. Patrick's Day!* Celebrate the Irish holiday with Irish music, eating corned beef and cabbage, or going outside to look for a lucky four-leaf clover.

FRIDAY 3/18

During the early hours of this day in 1990, 13 works of art were stolen from the Isabella Stewart Gardner Museum in Boston in the *largest property theft in the world*. None of the art has been recovered.

DID YOU KNOW?

- The **king of hearts** in a deck of cards is the only king without a mustache.
- To get to Nebraska from the nearest gulf, bay, or ocean, you'll have to travel through three other states (or two states and a province of Canada), regardless of your origination point. That makes **Nebraska the only triply landlocked state in the nation**.
- There's a world record for the holder of the most world records: **Ashrita Furman**, who's set more than 600 records and currently holds more than 200. His records have ranged from fastest mile on a pogo stick, longest time to hula hoop underwater and greatest distance traveled on a bicycle balancing a milk bottle on the head.
- **March 20** is the astronomical start of Spring! It is also known as the **Spring Equinox**, which happens when the Sun heads north and crosses the equator line.

IN OTHER WORDS...

"To our heart-wrenched cries of why? God's ultimate answer is 'Jesus.' The times when you and I can't trace His hand of purpose, we must trust His heart of love."

—Anne Graham Lotz

Weekly Verse

"Show me, Lord, my life's end and the number of my days; let me know how fleeting my life is. You have made my days a mere handbreadth; the span of my years is as nothing before You. Everyone is but a breath, even those who seem secure. Surely everyone goes around like a mere phantom; in vain they rush about, heaping up wealth without knowing whose it will finally be."

Psalm 39:4-6 (NIV)
