DID YOU KNOW?

- **Disney's Animal Kingdom** in Florida is the most visited zoo in the world with nearly 14 million visitors in 2019, as of the latest update from Guinness World Records. The park features more than **300 species of animals**, and it's especially known for its reproduction of an African savanna. Covering more than 540 acres, Animal Kingdom is by far Disney's largest theme park in the world.
- The Ancient Romans used to drop a piece of toast into their wine for good health - hence why we '**raise a toast**'.
- In Sweden, Waffle Day is known as Våffeldagen, which sounded a lot like Vårfrudagen (Our Lady Day), a day that celebrated the Virgin Mary's conception. Because of this lingual connection, it became customary for Swedish families to celebrate Vårfrudagen with waffles on Our Lady Day. That's how **International Waffle Day ended up being celebrated on March 25.**

Weekly Verse

"One thing I ask from the LORD, this only do I seek: that I may dwell in the house of the LORD all the days of my life, to gaze on the beauty of the LORD and to seek him in his temple. For in the day of trouble he will keep me safe in his dwelling; he will hide me in the shelter of his sacred tent and set me high upon a rock."

Psalm 27:4-5 (NIV)
