## *Week at a Glance*

### **MONDAY 4/18**

In the late 1800's, animal-shaped cookies were introduced from England to the United States known as "Animals." Today is *National Animal Cracker Day* and we can celebrate this sweet snack!

### **TUESDAY 4/19**

*Wear Pajamas to Work Day* takes the stress out of deciding what to wear. We always recommend checking with the boss first — unless of course, you work from home and never have to change!

### **WEDNESDAY 4/20**

On April 20, 2008, *Danica Patrick won the Indy Japan 300* at Twin Ring Montegi, a 1.5-mile oval track, making her the first female winner of a major U.S.-sanctioned open-wheel race.

### **THURSDAY 4/21**

*Robert Kenneth Wilson, a physician, submitted the most famous image of the Loch Ness Monster.* Now known as the "Surgeon's Photograph," was published in the Daily Mail on April 21, 1934.

### **FRIDAY 4/22**

The U.S. Congress passed the *Coinage Act of 1864*, which led to "In God We Trust" being printed on U.S. coins; the phrase was eventually added to all of the country's currency.

## **DID YOU KNOW?**

- **Shirley Temple** sang "Animal crackers in my soup, monkeys and rabbits loop the loop," but rabbits never found their way into a box of Barnum's Animal Crackers.
  - With a depth of 788 feet and a length of about 23 miles, **Loch Ness** has the largest volume of fresh water in Great Britain.
  - As of 2019, China led the world's natural **honey production**, producing more than 550,000 tons of the liquid gold each year. That's more than four times Turkey, which took second place with 129,000 tons. Iran, Argentina, and the Ukraine round out the top five producers, while the U.S. ranked sixth with 75,000 tons produced.
  - Jelly Belly beans became **the first jelly beans in outer space** in 1983 when a package was secretly stowed aboard the Challenger on President Reagan's orders.

## **IN OTHER WORDS...**

"We are justified by faith, not by faithfulness, and it's vital to understand the distinction."

—**John MacArthur**

To hear more from John, air *Grace to You* (25:00) and *Portraits of Grace* (1:00).

## **Weekly Verse**

"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving."

**Colossians 3:23-24 (NIV)**

## **NATIONAL DAY OF PRAYER**

Celebrated Thursday, **May 5**, we invite you to air a new special from Pastor Carter Conlon titled "**God Has Not Given Us a Spirit of Fear**"—including the powerful story of Carter's own struggle as a young man hit with debilitating panic attacks. Giving his life to Christ, he discovered the truth of 2 Timothy 1:7. It's a personal—and powerful—message on the importance of prayer!
