Week at a Glance...

MONDAY 7/18

The Bible tells us to be quick to listen and slow to speak. It's *World Listening Day*, so here are a few tips to be a better listener: make eye contact, pay attention, engage, and ask clarifying questions.

TUESDAY 7/19

Talk like an Egyptian! On July 19 in 1799, the famous *Rosetta Stone* was found during Napoleon's campaign. This artifact, covered with Greek and Egyptian writing, was the key to helping linguistics decode Egyptian hieroglyphics.

WEDNESDAY 7/20

One small step for man! Today in 1969 *Neil Armstrong became the first man to walk on the moon*. This national achievement opened up endless possibilities for the final frontier ... truly one giant leap for mankind.

THURSDAY 7/21

Burgers, fries, milkshakes, chips, oh my! *National Junk Food Day* is dedicated to those fried and sugary treats we try to keep out of our diets ... but if you want to celebrate today, we won't tell anyone!

FRIDAY 7/22

Kick your feet up and unwind because today is *National Hammock Day*! This simple bed was created by the Mayans, then adopted by sailors for their ships, and now has gained popularity among campers and relaxers. Hang in there today!

Weekly Verse

"If you obey the commandments of the Lord your God that I command you today, by loving the Lord your God, by walking in His ways, and by keeping His commandments and His statutes and His rules, then you shall live and multiply, and the Lord your God will bless you in the land that you are entering to take possession of it."

Deuteronomy 30:16 (NIV)
