DID YOU KNOW?

- **Lion Rock in Sigiriya** is one of the most popular landmarks to visit during a route through **Sri Lanka**. The natural phenomenon is an enormous (600ft) square-shaped rock, a former fortress of King Kassapa. It is home to murals, gardens, and on top of the rock: a swimming pool and palace!
- Mars Incorporated announced the addition of **Purple**, a female peanut **M&M**. It's the first new character to be introduced in over a decade.
- **The artichoke is an unbloomed flower**, part of the sunflower family, from the Mediterranean and the Canary Islands.
- The World Series of **Major League Baseball** always starts in **October**. The first World Series took place on October 1st, 1903, with the Boston Americans winning it all.

Weekly Verse

"The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness, and cannot understand them because they are discerned only through the Spirit. The person with the Spirit makes judgments about all things, but such a person is not subject to merely human judgments."

1 Corinthians 2:14-15 (NIV)
