Many people look forward to their day off from work, but you might be surprised to learn that this was the whole goal!

Presidents' Day was created in 1971 in an effort to give people more three-day weekends in the hopes that this would boost national productivity.

TUESDAY 2/21

75 years ago the National Association for Stock Car Racing, now known as **NASCAR**, was formed in **Daytona, Florida**. A mechanic founded the association as a remedy to inconsistent rules and dishonest practices he saw taking place in races.

WEDNESDAY 2/22

Get ready for **National Tortilla Chip day** today with a bowl of salsa, guacamole, or a helping of nachos! Make sure to have this crispy, salty, snack today to celebrate all the **enjoyment** they bring.
