MONDAY 7/24

“There’s more to life than being a passenger.” Born on July 24 in 1897, **Amelia Earhart** is remembered for her various record-breaking flights, including her solo trips across the Atlantic and Pacific oceans.

TUESDAY 7/25

What is the oldest kind of carnival ride? Carousels have appeared throughout history since the 6th century and the first steam powered merry-go-round was invented in 1861. This simple attraction has a colorful history for you to explore on **National Carousel Day!**

WEDNESDAY 7/26

Did you know that popular pet influencers can earn over \$20,000 per Instagram post? It’s **National Dog Photography Day** so look out for the pup-arazzi. Today is all about celebrating your furry friend’s paw-someness and sharing it with others. You never know, maybe your puppy will be the next big thing!

THURSDAY 7/27

All clear for takeoff! On July 27, 1949, **the first commercial jet made its initial test flight.** Invented by Sir Geoffrey de Havilland, this aircraft flew faster and higher than other planes at the time, significantly pushing the boundaries of aviation.

FRIDAY 7/28

You are what you eat, so eat something sweet! Today is “choc” full of deliciousness because it’s **National Milk Chocolate Day.** From candy bars to brownies to pudding, there’s a plethora of yummy ways to celebrate!

DID YOU KNOW?

- The **Ninety-Nines** is an international organization of female pilots that was established in 1929. Earhart was a founding member and elected the President in 1931.
- The **largest carousel in the world** is located at the House on the Rock near Dodgeville and Spring Green, Wisconsin. It has 269 different carousel animals, 182 chandeliers, and is lit with over 20,000 lights.
- **Dalmatian puppies** are born completely white, they develop their spots as they get older.
- What is the dirtiest place on an airplane? A study found that **tray tables** hosted 2,155 colony-forming bacterial units (CFU) per square inch. In comparison, the button to flush the toilet had just 265 CFU in the same amount of space.
- By law in the U.S., a **milk chocolate bar** only needs to contain 10% cocoa, in the EU this number is 25%.
