

For the week of:  
**08|07|2023**

Get the low-down from a high-up perspective!

the mAAA<sup>x</sup>

### MONDAY 8/7

It's **National Lighthouse Day**, a perfect opportunity to recognize these beacons of hope and guidance that have inspired people throughout history! As D.L. Moody said, "We are told to let our light shine, and if it does, we won't need to tell anybody it does. Lighthouses don't fire cannons to call attention to their shining—they just shine."

### TUESDAY 8/8

Did you know that Pickleball is the fastest growing sport in the United States? A combination of tennis, badminton, and ping-pong, this game is enjoyed by players of all ages and athletic abilities. Invite some friends, visit your nearest court, and discover what makes this pastime so popular on this **National Pickleball Day!**

### WEDNESDAY 8/9

**Happy National Book Lovers Day!** Not only is it an entertaining hobby, reading is known to reduce stress and increase cognitive abilities. From thrilling mysteries, to dreamy romances, to fascinating histories, there's bound to be a novel you'll enjoy!

### THURSDAY 8/10

On August 10 in 1793, **the Louvre opened its doors and welcomed the public for the first time.** Previously a royal palace, the French revolutionary government transformed it into a gallery that could be enjoyed by all. Today the Louvre is the biggest museum in the world- it would take an average of 200 days to see all 35,000 pieces of artwork on display!

### FRIDAY 8/11

Need some vitamin sea? As summer comes to an end, be sure to celebrate **Play in the Sand Day!** With a pail and shovel, you're shore to have an enjoyable time in the sun building, digging, and creating!

### DID YOU KNOW?

- The tallest lighthouse is **Cape Hatteras, NC** (196 ft. built in 1872).
- The city of **Naples, FL** is the Pickleball capital of the world. It hosts every year the US Pickleball Open Championships.
- ISBN stands for **International Standard Book Number** and is a 13-digit number that identifies published books. ISBNs were 10 digits in length until 2007, when they expanded to 13 digits.
- Along with being the most-visited museum in the world, the Louvre is also the largest museum in the world. The Louvre covers a total area of **652,300 square feet.**
- **Revere Beach** in Massachusetts was the first public beach in the United States.

### ... And the Latest from Ambassador

"**Straight Talk on Life Issues**"— a new 25:00 weekly program anchored by **Brad Mattes** with co-host Sharon Kon will be launching this Fall. Whatever the pro-life topic of the week, Brad will be digging deeper on the issue with a wide array of guests to keep listeners informed and inspired.

Check your Amb-OS receiver for a current DEMO of the program, or contact Lee Ann (lee@ambaa.com) for more details.

The Word became flesh and made His dwelling among us.

We have seen His glory, the glory of the one and only Son, who came from the Father, full of grace and truth.

**John 1:14 (NIV)**
